In collaboration with ...

The 27th International Cave Bear Symposium (ICBS 2022) will be held in Golling an der Salzach (province Salzburg, Austria). All researchers and interested colleagues are invited to take an active (talk/poster) or passive role in the proceedings.

Location

Golling an der Salzach is a small town in the Salzach Valley about 30 km south of the city of Salzburg. The symposium will take place at the Museum Burg Golling at the great hall of Golling Castle. Address of symposium location: Markt 1, 5440 Golling an der Salzach, Austria

Arrival

By train you can arrive to »Salzburg Main Station« (www.oebb.at) with numerous international connections; from Salzburg you can reach Golling an der Salzach comfortable by regional train via the train station »Golling-Abtenau«.

By plane you can arrive via the International Airport in Salzburg (www.salzburg-airport.com); from the airport you can reach Golling an der Salzach by regional train, taxi, or car rental.

By car you can reach Golling an der Salzach on the motorway A10 (»Tauernautobahn«) from the North via Salzburg or from the South via Villach using the exit »Golling«.

Parking: Please use the parking opportunities of your accommodation or the public parking areas (www.golling.info/en/contact/arrivals)

Accommodation

In Golling there are hotels, guesthouses und B&Bs in all price ranges. Please book your accommodation as soon as possible, because Golling is a well-booked tourist destination in summer! For more information and booking please contact the tourist office of Golling:

W: www.golling.info | M: office@golling.info | T: +43 6244 4356

Contact

Please direct all your questions to the conference organisers: icbs@museumgolling.at

Symposium fee

The symposium fee is **50,00 EUR**. For students we offer a reduced fee of 40,00 EUR. The fee includes entry to all presentations, refreshments during the day of presentations, a welcome drink, the conference dinner (without drinks), the excursions and free entrance to the exhibition of the Museum Burg Golling. Participants of the post conference excursion to the cave »Eisriesenwelt« have to pay in addition **17,00 EUR** (special reduced fee) for the cable car and the cave visit.

The symposium fee is to be paid in cash at the symposium office at your arrival.

Registration

The deadline for registration is 30.06.2022.

For registration, please use the separate registration form and send it back to icbs@museumgolling.at.

Presentations and posters

Presentations may be given in English or German and should last 20 minutes + 5 minutes of discussion. Beamer and Laptop will be provided. Please prepare your presentations as MS PowerPoint file.

Posters should have the format DIN A1 portrait (594 x 841 mm).

Boards, pins and tapes will be provided.

Excursions

For excursions hiking shoes, warm clothing, rain shield and backpack are necessary! Helmets, lamps and overalls will be provided for all participants, who don't have own equipment. Please note that participation in the cave excursions is at your own risk and responsibility!

All starting points of our excursions are only reachable by car. Please inform us on your registration form, whether you will be arriving by private car (or by public transport) and how many free seats you have, so we can organize carpools if necessary.

Abstracts

The deadline for submission of abstracts is 30.07.2022.

Abstracts may be written in English or German with a text length of maximum 3,000 characters including spaces. The texts should also contain the names, addresses, e-mails of all authors – please underline the author who will talk! All figures (photos, illustrations, diagrams, maps) should be provided as separate files (JPG, TIFF, PNG). Tables have to be submitted in separate MS Excel files. Texts should be provided unformatted in MS Word files and the references should be given as followed (see below).

Extended abstracts

If desired, extended abstracts could be published in the new digital open-access publication format »e-Research Reports of Museum Burg Golling«. The deadline for submission of manuscripts will be 30.11.2022. Manuscripts may be written in English or German without a limitation of the text length. Manuscripts should contain the names, addresses, e-mails of all authors and a short abstract in English and German (each max. 1200 characters including spaces). Descriptions of figures should be also in English and German. All figures (photos, illustrations, diagrams, maps) should be provided as separate files (JPG, TIFF, PNG). Tables have to be submitted in separate MS Excel files. Texts should be provided unformatted in MS Word files and the references should be given as followed:

journals: Koby, F. E. (1959): Contribution au diagnostic ostéologique différentiel de *Lepus timidus* Linné et *Lepus europaeus* Pallas. – Verhandlungen der naturforschenden Gesellschaft in Basel 70/1: 19-44.

books: Frischauf, C. & Rabeder, G. (2020): Atlas of Cave Bear Osteology. – Naturkundliche Mitteilungen aus den Landessammlungen Niederösterreich 30.
